TO PLACE AN ORDER

Complete the order request form with as much detail as possible. I will contact you via your preferred method within 24 hours to discuss the inquiry!

For orders within 2 WEEKS notice, there will be a 25% rush fee

PAYMENT INFORMATION

With orders over \$100, there is a 50% retainer fee that must be paid within 48 hours to secure your date. Although this fee is non-refundable, it can be used as credit towards a future order date should you need! The remaining 50% is due a week prior to collection or delivery. For orders over \$500, a contract is to be signed along with the retainer fee. Invoices are emailed VIA Square for payments only.

COLLECTION / DELIVERY

Collection times are confirmed along with the order. Not only do I run this business independently, I also have a toddler son. Please be mindful that I cannot always accommodate sudden changes to your order's date and collection time. Delivery: within 30 miles of my location - \$5 flat fee, plus \$2.00 per mile there.

After collection, we are no longer responsible for your items

ALLERGENS

While I do my absolute best to accommodate to allergies, I unfortunately cannot guarantee it. Per Florida state food safety regulations - this applies to nut, dairy, and egg allergies.

Gluten Free is available, but per the law, I cannot fully guarantee - as I bake with wheat as well. However, I use separate equipment because I am GF too!
